www.RodinoAssociates.com

Consulting that combines hands-on operating experience and analytical capabilities

Rodino Associates combines over 30 years of hands-on operational experience and analytical expertise in urban development and real estate investment. The firm's core services revolve around real estate services and urban revitalization.

The All-New 2010 Chamber Directory

The directory is currently being proofed for printing and should be available for distribution to members in late February.

Each advertising member will receive a copy of the directory in the mail. Additional copies will be available upon request by contacting:
